Dear Mr. Nagle:

Thank you for your interest in participating in the Defense Advanced Research Projects Agency (DARPA) Grand Challenge.

Your technical paper was evaluated "Completely Acceptable" (as described in the enclosed letter of November 5, 2003). Your team is invited to the Grand Challenge Qualification, Inspection, and Demonstration (QID) event at the California Speedway, March 8-12, 2004. The exact date and time for your QID slot will be sent at a later date.

DARPA personnel will contact you soon to transfer the Government-furnished equipment. Your participation in the Grand Challenge is contingent on completion of the bailment agreement with DARPA.

I wish your team the best of luck.

Sincerely,

A handwritten signature in black ink, reading "Jose A. Negron".
